Summary:

I have experience in preparing music for a Top 40 specialty show on WGLS-FM and working with both the Wheatstone A50 Studio Analog Console and Axia iQ. My experience includes completing music logs, recording news minutes, and collaborating with other hosts to promote the station.

Education:

Bachelor of Science & Arts, Music Industry Technology/RTF *anticipated MAY 2023*
Rowan University, Glassboro, New Jersey
GPA - 3.55

Associate of Arts - Liberal Arts/Music *MAY 2019*
Rowan College of South Jersey, Vineland, New Jersey
GPA - 3.68

Relevant Experience:

WGLS (89.7 FM), On-Air Personality:

- Hosted several radio shows of varying types over the course of a year and developed proficiencies in technical, administrative, and on-air entertainment aspects of radio broadcasting
- Maintained a high level of communication between audience by sharing local news, weather, traffic, entertainment, and engaging with submitted audience requests
- Monitored transmitter logs to ensure clear broadcasting and follow FCC regulations
- Drafted, selected, and aired program related content
- Wrote, produced, edited, and released various timely on-air news minute segments
- Prepared and delivered entertaining, compelling, and relevant content regularly
- Promoted on-air talent and upcoming shows/events/contests

Relevant Coursework:

Radio Production 1:

- Gained the understanding on how to produce a radio program by creating weekly content for Rowan Radio's "Rowan Report"
- Acquired experience both as a content producer and on-air talent

Awards & Achievements:
